Register Your Dog Today!

Registering your new dog with the AKC® is fast, simple, and has numerous benefits.

To register your dog, simply complete the paper registration application provided by your breeder or register online at www.akc.org/dogreg.

Did You Know . . .

Since its founding, the AKC Canine Health Foundation has contributed over \$13 million to canine health research.

Order Your Official AKC-Certified Pedigree!

Looking for official documentation of your dog's AKC lineage? Complete your dog's AKC registration application, select either the GOLD or SILVER package, and obtain your dog's official **AKC-Certified Pedigree** at a *discounted* price!

The AKC-Certified Pedigree is a document unique to your dog. It contains information about **your specific dog** that is not found on the Litter Certificate your breeder gave you. The AKC-Certified Pedigree shows your dog's ancestry for three generations, and includes your dog's registered name and number. The AKC-Certified Pedigree will also include any applicable titles, health certifications, coat colors and Stud Book dates for your dog and its ancestry. Please visit www.akcpedigrees.org to view a sample.
